HOUSE COMPETITION HEATS UP

Our House competitions continue to challenge our students academically and physically. Last week each house split into two teams. The first team competed in a tower building challenge to see which house could build the tallest tower out of marshmallows and spaghetti. The second team competed in team dodgeball. Reveur won the tower building contest and Amistad won dodgeball.

SCIENCE AND CONSTRUCTION JOIN FORCES

At Steel Academy we use cross curricular strategies to meet all students at their own level. A great example of this is how we are combining Science and Woodshop classes to complete an exciting and fun STEM race car project. Mr. Clayton (Science) and Mr. Weaver (Woodshop/Construction) are working together to guide our CHAMPIONS to successful completion of this project. Stay tuned for the progress!!

GREAT START TO 2023

This year our goal is to ELEVATE to GREAT for students and staff. Students and staff will be rewarded for displaying the attributes that make us GREAT. Students will be rewarded with CHARACTER CASH that they can trade in each week at our CHARACTER Cart for various rewards. Please see the chart on the next page that displays the attributes that we define as making us GREAT. We are looking forward to a GREAT year with our CHAMPIONS and we believe this reward system will help improve our school culture for all students and staff!

FOOD DELIVERY UPDATE

In the interest of school security we are no longer permitting any kind of food delivery to the Steel Academy including but not limited to Uber Eats, Door Dash etc. We strive to create a physically and emotionally safe environment for our CHAMPIONS and we don't want anyone we don't know approaching or entering the building. We appreciate your understanding and cooperation on this important issue.
