## ALICE DRILL RESULTS

Steel Academy held our first ALICE drill on Wednesday, October 11th. I am pleased to report that our drill went extremely well! We presented students with a simulated shooter event in which they had to choose whether to evacuate, barricade or counter the simulated shooter. We had one class choose to barricade based on where the simulated shooter entered the building. Every other class chose to evacuate to the reunification location. This resulted in no students or staff being hit by the simulated shooter. All students were quickly accounted for by their staff at the reunification location. The entire drill took 8:20 to complete from entry of the simulated shooter to the full accounting of all students. Everyone involved did an excellent job and I'm looking forward to continued GREATness from our CHAMPIONS as we seek to create an emotionally and physically safe environment.

## WEEK 2 HOUSE CHALLENGE

For our week 2 House Challenge our CHAMPIONS faced off in Ultimate Frisbee. Each house took the court and competed hard. Reveur scored 18 total points followed by Altruismo with 16 points.

We ran out of time on Friday to complete this challenge so Amistad and Isibindi will be competing this afternoon for their final round.

## GREAT START TO 2023

This year our goal is to ELEVATE to GREAT for students and staff. Students and staff will be rewarded for displaying the attributes that make us GREAT.
