## CONSTRUCTION STUDENTS EXCEEDING EXPECTATIONS!

We have two students that have completed their OSHA 10 certification so far. This is the final step needed to work onsite with Habitat for Humanity. Kadin Featherstone and Serena Martinez are the first to finish.

An additional note of accomplishment is this OSHA certification is typically not completed until the 12th grade. We are getting this group prepared ahead of schedule

## GREAT START TO 2023

This year our goal is to ELEVATE to GREAT for students and staff. Students and staff will be rewarded for displaying the attributes that make us GREAT. Students will be rewarded with CHARACTER CASH that they can trade in each week at our CHARACTER Cart for various rewards. Please see the chart on the next page that displays the attributes that we define as making us GREAT. We are looking forward to a GREAT year with our CHAMPIONS and we believe this reward system will help improve our school culture for all students and staff!

## FOOD DELIVERY UPDATE

In the interest of school security we are no longer permitting any kind of food delivery to the Steel Academy including but not limited to Uber Eats, Door Dash etc. We strive to create a physically and emotionally safe environment for our CHAMPIONS and we don't want anyone we don't know approaching or entering the building. We appreciate your understanding and cooperation on this important issue.
