THIRD BUS STARTING

Our THIRD bus from RIGHTWAY transportation should be starting very soon. A third bus will shorten the routes and make pick up times and drop off times a little more reasonable. We can expect some bugs to be worked out as the new driver figures out the route. We truly appreciate your patience as we figure out the various issues that arise. Please feel free to call the bus garage if you need information or to report a concern. They can be reached at 440-494-7030. If for any reason they are unable to resolve your concern, please let us know and we will work them to get everything taken care of.

HOUSE HIGHLIGHT

Steel Academy will once again be using the House System to help build positive school culture. The houses will compete for prizes throughout the year as well as take turns leading programs for our CHAMPIONS. This week's house highlight will be on Altruismo!

Heart

The heart sits at the top of the crest because the heart is where kindness, generosity, and purity are born.

Diamond + Shield

The diamond on the shield, in the center of the crest, represents the importance of protecting others with unity and wisdom.

Giver

"Altruismo" is Portuguese for "altruism," or "the givers" — and that is what we are known for being!

Griffin

With the head of an eagle and the courage of a lion, the griffin is one of the most powerful of all animals known for both strength and grace, fierceness and nurturing.

Black

The color black represents prestige and an elite quality, just like our kids. We are a House filled with talent, and we like to win.

Black is also the one color that contains all other colors — representing our goal of empowering all others.

On Friday, September 22nd our students were officially enrolled in the nationally recognized career and technical student organization SkillsUSA. Our CHAMPIONS will have an opportunity to craft their skills in leadership, community and parliamentary skills as it relates to the construction industry. In addition, the class voted and elected our very first CTSO class president and Secretary! We are building career ready students one day at a time!

On Wednesday, September 20th our Steel Academy Construction instructor Mr. Weaver and Principal Powell were fortunate to meet with President and CEO, Rochelle Sibbio and Briana Cantrell, Family Services Manager and Volunteer Coordinator of the Summit County Habitat for Humanity. We are very excited to build community relationships with outstanding organizations like Habitat in order to get our CHAMPIONS hands on job site experience to build their futures in the construction trade. Stay tuned to watch this relationship grow and blossom!
